FESTIVE SEASON

Celebrating at
SONEVA JANI

This December, Soneva Jani presents an unforgettable holiday programme with visits from Santa, exclusive events with Michelin-starred chefs and sporting legends and iconic culinary journeys to ring in the New Year.

Reserve your stay and enjoy exclusive offers on luxurious overwater and island villas.

An aerial photograph of the Soneva Jani resort in the Maldives. A long, winding wooden boardwalk leads from a white sandy beach in the foreground into the turquoise lagoon. Along the boardwalk, numerous overwater villas with thatched roofs are built. In the foreground, a small twin-engine propeller plane is parked on the beach. To the right of the plane, there are several small wooden structures and a row of white umbrellas on the sand. The water transitions from shallow, light turquoise near the beach to deeper blue further out. In the distance, other islands and a clear blue sky are visible.
