ST REGIS
MALDIVES • VOMMULI

The Ecological Zones

*Four distinct natural worlds shape the island's character,
inspiring a festive season told through place.*

The Season Begins

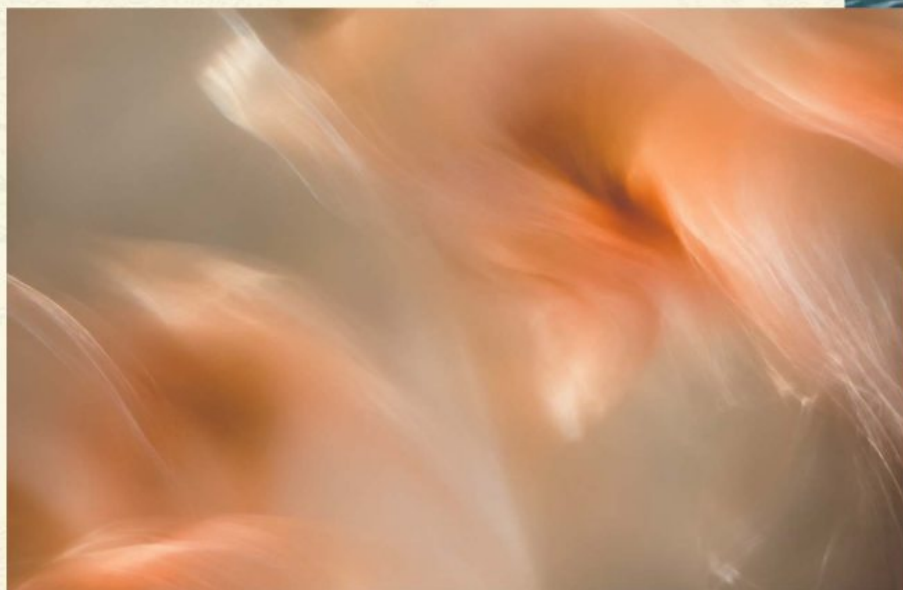

A sense of quiet wonder returns with the festive season. As The St. Regis Maldives Vommuli Resort marks its tenth anniversary, this year's program turns to the natural world that has shaped its story. The lagoon sets the first scene. Beyond it, the beach gives way to the jungle before the coast brings the journey to an elemental close.

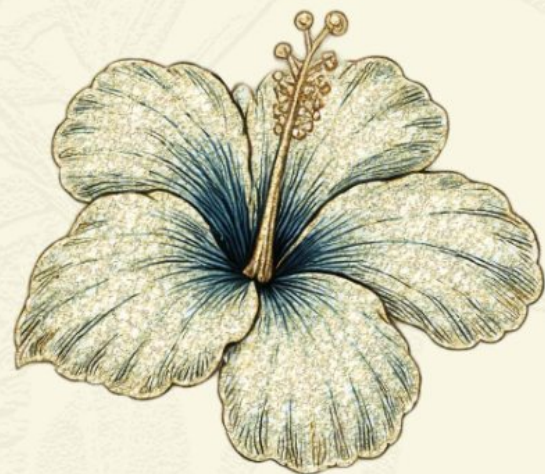

For ten years, these distinct landscapes have influenced the character of every stay. This season, their atmosphere is reinterpreted through evocative dining and performances that respond to place. Each chapter reveals the resort anew.

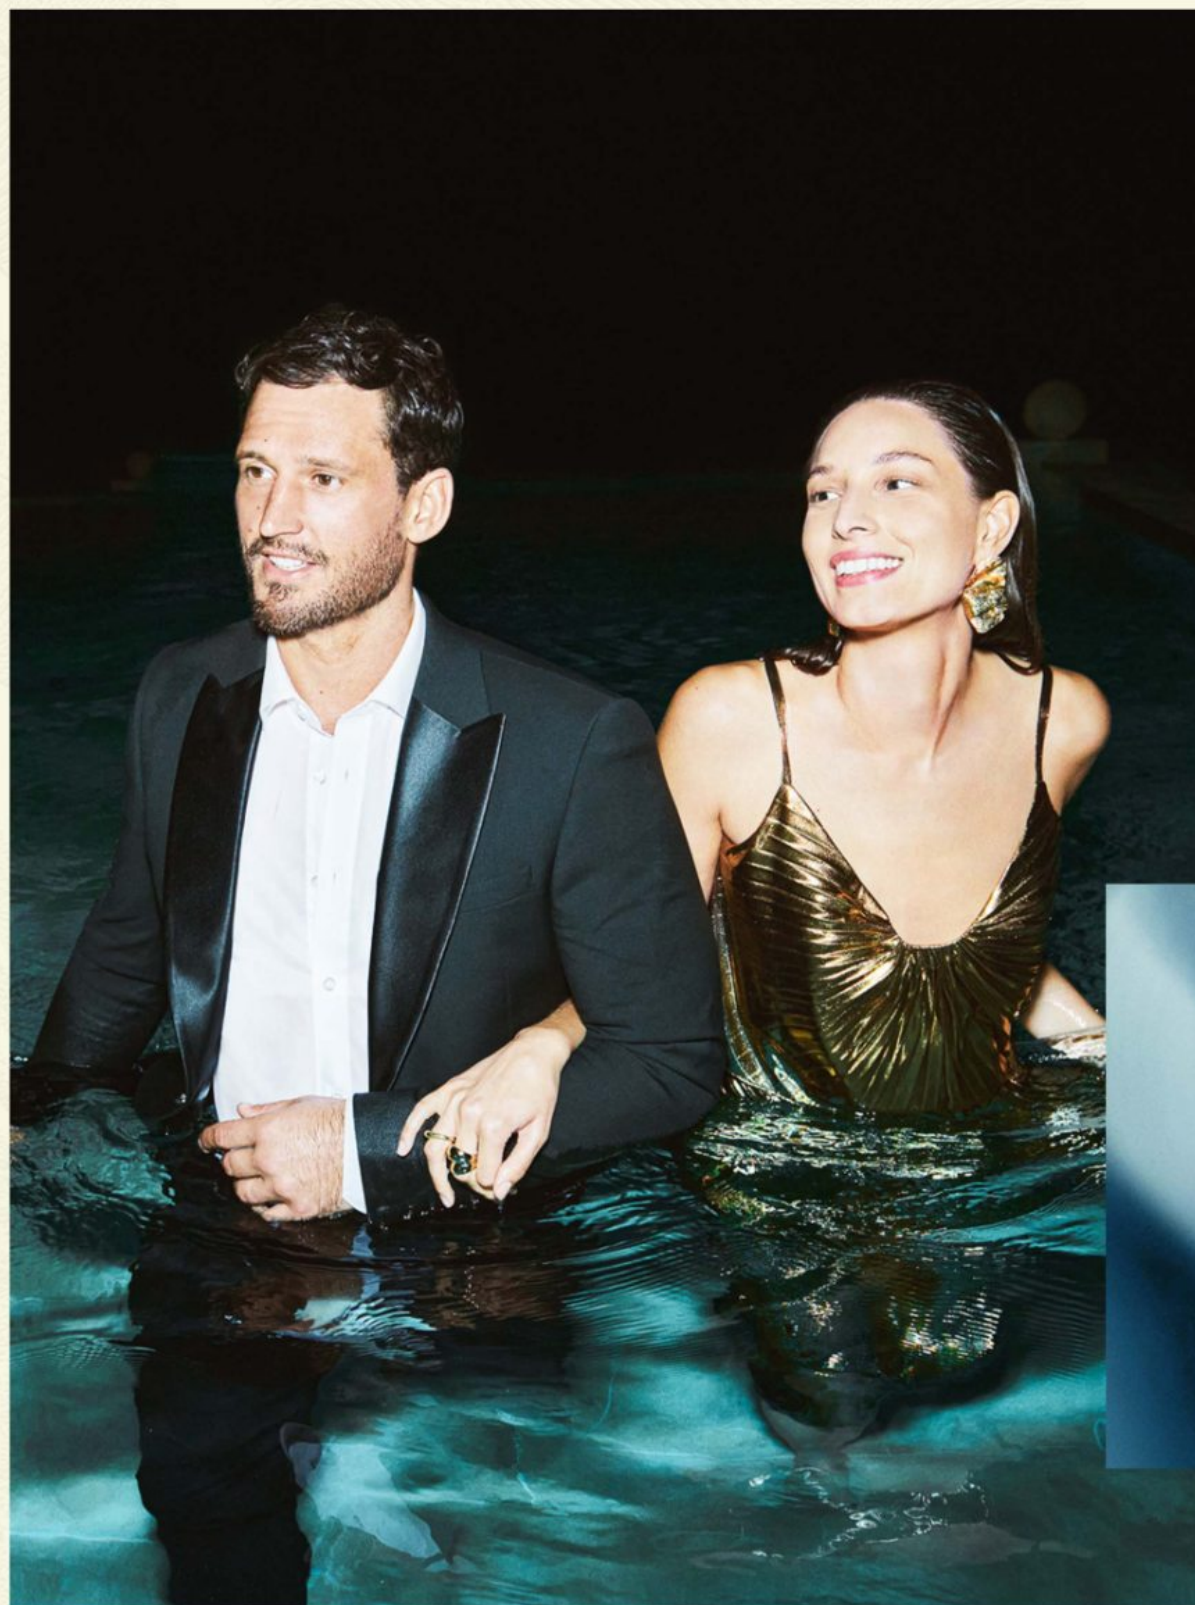

The anniversary honors a decade shaped by its surroundings while looking ahead to the story still to come.

The House of Celebration

*A heritage of gathering, reimagined
for today's luminaries*

A New Season, A New Chapter

A celebration of the island's living story

Inspired by the island's ecological zones, this year's celebration draws its narrative from the landscape itself. Reimagined through performance, its changing character sets the stage for the festive story about to unfold.

Evenings at the Finest Address

Performances inspired by the story of Vommuli Island

At The St. Regis Maldives Vommuli Resort, the island's living story moves from landscape to stage. The lagoon sets the opening scene before the beach carries it ashore. A wilder rhythm emerges in the jungle, while the coast lends the evening its elemental edge.

The saxophone brings warmth to the air as the violin traces a lyrical line through the night. Costumed performers draw on the character of each of the zones, translating its textures into expressive movement.

Champagne flows at the flash of the saber, signaling the evening's ascent. The final act belongs to the sky, where fireworks bloom above the horizon and bring the story to a brilliant close.

The Celebrations Begin Here

Create epic festive memories all season long at The St. Regis Maldives Vommuli Resort with themed events that are sure to delight. Each day offers something exciting for you and your loved ones to unwrap and discover.
