FESTIVE SEASON

Celebrating at
SONEVA SECRET

This December, Soneva Secret 2024 presents an
unforgettable Christmas programme and iconic culinary
journeys to ring in the New Year.

A group of people are gathered on a wooden terrace overlooking the ocean at sunset. A waiter in a white shirt is standing and pouring a drink into a glass. Several people are seated around a table, engaged in conversation and eating. The terrace has a wooden railing with decorative finials. The background shows a sandy beach, greenery, and the ocean under a warm, golden sky.
